Dr. C. Dillard, Jr.,
Box 245,
Goldsboro, N. C.

Dear Doctor:

I am hastening to answer your letter to tell you to please reserve the 30th of April for the Eagles to play the Cuban Stars a Ball game on their way back from Training Camp.

You asked for advertizing material enough to cover a wide area, how many placards do you think you can use? I had planned to send you about 100 window cards, do you think you can use more than this? In your answer, please send me the name and location of the Ball Park, I need this information for the placards. I will send publicity directly to the Journal & Guide, is that the most widely read paper in your locality? Is there any other Negro paper you think will be of service to us? When you answer please send confirmation of this date. The price of \$25.00 for the night including lights is satisfactory.

Thanking you for your assistance and co-operation.

Very truly yours,

AM:CCJ

P. S. We are taking one of your local boys to Camp with us. If he measures up he will be in our line-up when we play in Goldsboro, his name is Roscoe Everett, Jr., he is a thirdbaseman.
